

Palmer Wasilla Highway

EASTERN TERMINUS PROJECT

 Thursday, March 31, 2011
 4:00 pm to 8:00 pm
 Palmer Community Center
 (Railroad Depot)
 610 South Valley Way
 Palmer, Alaska 99645

The Alaska Department of Transportation & Public Facilities (DOT&PF) invites you to an open house to view the current designs for the Palmer-Wasilla Highway Eastern Terminus Project. The purpose of the meeting is to:

- Provide the public with current design options for Evergreen Avenue, Palmer-Wasilla Highway, Dogwood Avenue, and Felton Street.
- Provide the public with information on how the proposed options might improve safety and mobility, and address congestion.
- Seek input on the design options presented.
- Discuss project phasing and schedule.
- Ask questions of the Project Team.
- Provide comment to the Project Team.

Comments on materials presented at the open house are requested no later than May 6, 2011. If you can't make it to the open house, you can send your comments or questions to the project team at the addresses/numbers shown below.
